

## **PTA Meeting November 8, 2012**

*Present: KK, JS, CG, CS*

**5<sup>th</sup> and 6<sup>th</sup> Grade musical** will be held November 16-17, 2012. FREE.

There is no intermission so get your baked goods on the way in. Sharon Dube has kindly agreed to be the liaison around the play. Bake sale needs to be organized with Scott Wiegand and money box needs to get returned to Christine Sullivan.

Playbill: Kaiya needs to take photos of kids and will send to Sam Boylan at Harwood. Printer is minuteman press (Mike Cavanaugh) and Kaiya will send final product. Copies of Playbill and Directory should be send to advertisers.

We should plan to talk about the impact of all the changes this year (time of year, new director, new format to the play...) at some point in the future.

**Safe Routes to School:** JS updated school travel plan with Kaiya's help to send along to Abby. Valerie Capels also put in an infrastructure grant application for sidewalks on the west side of route 100.

**Ski and Skate Sale:** volunteers can come in and browse 7-8 am Saturday morning. Suggestion for volunteers to receive an email on job descriptions and reminders; Kaiya will draft something and send to Amy and Buny to review. Will also put up reminders on mamasays, exit 10, and front porch forum. Could use more help on Fridays for unloading and retagging things that come in from the shed (unless tagged with #1). Classrooms will be vacated by 8:30 am
