 USDA is an equal opportunity provider

*A reminder that all accounts are expected to be paid in full by June 5.  
 Thank you! Have a great summer!*

Hello to our Fayston and Waitsfield Families,

Another school year has come and gone. We have a lot to reflect on from this past school year. Each month this school year we conducted a taste test. When presenting something new to students we tried to do it in an exciting way. Many students seemed positive about trying new foods. I encourage you to continue this at home through the summer months. I use a great website [vermontharvestofthemonth.org](http://vermontharvestofthemonth.org). There are always lots of great ideas for recipes and activities to do with children.

On JUNE 12 is our annual FIELD DAYS. If you're planning on joining your student for lunch, please let us know ASAP.

We are happy to report Sarah Bray will be returning next school year. Sarah has done an outstanding job and I am personally very excited to have her returning. Sarah was happy to help this past month in the Waitsfield School's inspirations days. We look forward to what type of farm to school related activities we can bring to Waitsfield School next year.

Have a great summer and see you down the road!!

Cheryl and Sarah
